Quebec students receive multicultural welcome

Twenty students and their supervisors, who visited F. G. Miller High School last week on the second portion of an Alberta - Quebec student exchange, were given a warm multicultural welcome Tuesday night at an entertainment jamboree held in their honor.

Robyn Danyluk and exchange student Jean-Philippe Courcelles served as MCs for the evening. Judy Kim opened the evening with the playing of O Canada on piano.

The program of music, dance and poetry got underway with Rocky Wade and Zane Wade of Frog Lake doing a traditional native dance. The senior girls of the Elk Point Ukrainian Dance Club, Charissa Brown, Michelle Hillebrand, Kenna Hillebrand, Kathy Kozina, Claudia Naber, Chantelle Maas and Taralee Babenek, followed with a high stepping Bereznianka, a dance of the Transcarpathian foothills.

Hills much closer to home were represented by cowboy poet Old Jake, who related his tales of would-be settlers, branding time, and cooking for the branding crew.

St. Paul's Les Bles d'Or offered several numbers, with Leanne Buryn and Rachelle Faucher performing two traditional giguees, and Asani Half, Monica Michaud, Nadia Ouellette, Pennie Poulin, Colin Saulnier and Lea VanBrabant performing a Schottiche and a traditional Metis Red

River Jig.

The Ukrainian Dancers were back with their second number, the Volynsky Tanets, a dance of the Volyn region.

Jingle and fancy dancers from Saddle Lake, Long Lake Cree Nation and Frog Lake then showed their considerable talent, with Sky Dion, Lynelle Gadwa, Senior Princess Rachelle Badger and Tara Badger representing Long Lake, Senior Princess Crystal Moses representing Saddle Lake, and Jenna Wade and Sue Ellen Wade representing Frog Lake as Jingle Dancers, Jody Gadwa, Kara John, Cherelle Youngchief and Cindy Gadwa representing Long Lake, and Laurelle Singer representing Frog Lake as Fancy Dancers.

F. G. Miller student Pam Jabush turned the mood to country, as she sang Terri Clark's "When Boy Meets Girl."

Two other FGM students provided a very unique part of the evening, when Judy Kim and Bomee Lee performed a traditional Korean dance called "Ah Lee Laung," which is done during the harvest season.

The Ukrainian Dancers were joined by two young cossacks, Leslie Hillebrand and Mark Kozak, for the final number of the evening, the energetic and always beautiful Hopak, to round out a very memorable evening.

LODGE LEADERS -- Honored Royal Ladies (back row, left to right) Sheila Burgess, Lac La Biche, Anne Chudyk, Myrnam and Kay Buryn, St. Paul, and (front row, left) Past Provincial President Betty Leschenko congratulate District Deputy Sharon Algot on her re-election for a second term as head of District 17.

Elk Point Elks and Royal Purple hosted the annual district meetings of their respective lodges this weekend, with good attendance at both events.

The Elks met Saturday evening, with members of Marwayne, Vermilion, Lloydminster, Mannville and Myrnam lodges in attendance. The lodges took part in a variety of competitions, with Elk Point winning the District Ritual Competition honors, while Myrnam won the 11 O'Clock Service Competition and Marwayne won the National Ritual Competition. Elk Point received the Bob Paynter Visitation award for the most in-district visitations.

Ed Sosnowski of Myrnam was elected District Deputy for

the coming year. He will succeed Lawrence Pidluzny of Elk Point, who has just completed a two year term.

The Elks enjoyed a visit from Alberta Elks Association Chaplain Noel Pell, who congratulated the lodges on their great work, and who felt the competitions were the best he has seen at district level.

"Things are looking really, really good...."

D. D. L. Pidluzny

District Deputy Pidluzny said attendance at the district meeting was up this year, with all lodges well represented. Membership is on the rise among the lodges, and all lodges were very active.

"Things are looking really, really good."

The meeting included reports from all the Exalted Rulers, and discussion of resolutions to be presented to the Provincial and Grand Lodges.

The District Deputy's report reflected a very busy term, as he visited all the lodges and found them all financially sound. Pidluzny said it is necessary to "let the community know that Elksdom can be a pleasant experience rather than a chore. This may be our greatest defence against a dwindling national membership."

parts on Sunday, April 21 for their annual District Meeting.

The 58 ladies, including visitors from Edmonton, Camrose and Drayton Valley lodges, were welcomed by Mayor Ed Buck who called the OORP "one of the key factors in keeping the community together, and by Elks District Deputy Lawrence Pidluzny, who applauded the good attendance and asked for the OORP's help in attracting the younger generation to join the two lodges.

OORP District Deputy Sharon Algot stood in for Elk Point Honored Royal Lady Marie Buck, and reported on a busy year for the 40 members. The Elk Point ladies draped the charter in a moving ceremony, remembering those who have passed away.

DD Algot also reported on a busy year and said she has urged her fellow members to "help keep that special feeling alive."

Myrnam Lodge presented the Four Principals Drill, with HRL Anne Chudyk reporting on behalf of her 22 members.

The St. Paul Lodge, which has 24 members, performed the OORP Drill, prior to a report on activities from HRL Kay Buryn.

Following the election for District Deputy, which saw Sharon Algot returned for a second term, the ladies heard from Past Provincial President Betty Leschenko of Edmonton, who spoke about the declining membership across the province, where three lodges have shut down in the past year, and across Canada. "We need to increase our membership. We must be persistent, and retain the members we have. Make them feel wanted and needed."

The LacLa Biche Lodge, which joined District 17 this year, led the Sunshine March. HRL Sheila Burgess reported on the activities of her 24 member group.

EXALTED RULERS (Back row, left to right) Brian Kent, Marwayne, Roger Hall, Vermilion, Ron Baker, Lloydminster, Jim Myhovich, Mannville, (front, left to right) and Terry Axley, Myrnam, visited District Deputy Lawrence Pidluzny and Elk Point Exalted Ruler Randy Ballas for the 1996 District Meeting.

Volunteers are helping hands

By Deanna Easthope

FCSS Director

Volunteer Appreciation Week has arrived. During the month of April, we have been talking about the value of volunteers. This week I would like to talk about volunteers on a more personal basis. Volunteers are people who give of themselves. They are the "HELPING HANDS" to any organization, club, interest group or any support system in the Town and community of Elk Point. They give because they believe that what they do will make a difference and the result will be a better place to live for ourselves, our families, our friends and our neighbors.

When we remember the reason why volunteers do what they do, then let us this week take time to say thank you to the volunteers we know. They truly are our "HELPING HANDS," for without them, Elk Point wouldn't be the nice community to live in as we know of it today.

If you are a volunteer, or would like to become a volunteer and you are not sure of who to contact for your special interest, drop in at the FCSS Office. We have compiled a "COMMUNITY VOLUNTEER

Volunteers

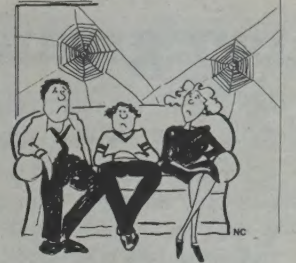

The building blocks of our community

DIRECTORY" while lists all the organizations which use volunteers in the community of Elk Point.

If, as a volunteer you feel you would like the opportunity to attend a Conference for Volunteers, drop by the FCSS Office and pick up registration forms for the Provincial Volunteer Conference, Vitalize '96/ Their theme this year is "VOLUNTEERS =VALUE." The dates are June 6,7 and 8,

1996 and the place is Edmonton Convention Centre, Edmonton, Alberta. Or, if you would like an opportunity to win a conference package for Vitalize '96, listen to 1310 Radio during Volunteer Week and share information about your volunteerism in our community on the Danny White Morning Show. Listen throughout the week and call, your name will be entered for the grand prize - "Vitalize."

Feel like you're becoming a web site?

Volunteers -- our greatest treasure

Never mind the diamonds or gold -- we have a great treasure right here in Elk Point. It's our volunteers.

No matter what event you go to in this community, from the weekly bingos to huge celebrations such as Canada Day, you will find that much of the planning and production of the event has been done by volunteers. Sometimes they double as caterers or performers, sometimes they just work behind the scenes, but every task is important. From phoning committees to fundraising, from coaching sports to sewing costumes, an immense lot of work is done by these unsung local heroes and heroines.

Fortunately, we have one week a year in which we are encouraged to give thanks for all this effort. Let's all make a special effort to recognize their valuable contribution.

OPTOMIST SPEAK-OFF WINNERS -- Elk Point Elementary School Grade 5 students Curtis Salt and Eva Gusnowski both placed first in the Club level of the Optomist Public Speaking Contest in Edmonton on April 19. Curtis will be going on to Zone level on April 27, but Eva will be unable to compete as she is in the Ukrainian Dance Concert that night. This contest is sponsored by the Optomist Clubs of Canada. Mrs. Bernice Capjack-Hugo, the school's coordinator of public speaking, is very pleased that this year there are two club winners representing Elk Point. We all wish Curtis the best of luck at the zone level competition.

Multicultural Jamboree

VISITORS FROM MONT ROLLAND, QUEBEC were warmly welcomed by their Elk Point hosts as they took part in the second portion of the student exchange program. Visitors and hosts alike enjoyed Tuesday's Multicultural Jamboree.

F. G. Miller hosts exchange students

By Kelly Oszust
F. G. Miller Student Journalist

On February 6, the F. G. Miller French students in grades 9 through 11, as well as their supervisors, Mrs. Pentek and Ms. Smereka, travelled to Mont Rolland in Quebec to begin the first part of their French Exchange Program. The second half of the exchange started on April 13, 1996 when the students from Mont Rolland arrived.

There were twenty students in all, as well as two supervisors, Mr. Nicholas Fiorilli and Mrs. Isabelle Giroux. During their stay, the students lived with a host family and their exchange partner.

While in the Elk Point area, the students did a number of things. They first had a tour of the Herards' small exotic animal farm as well as Mudryks' large exotic animal farm and Millers' fish farm, ending their busy day with a wiener roast and potluck at the Ferences' farm. Secondly, they travelled to Cold Lake and had a tour of the Cold Lake Air Base, next they viewed the Cold Lake Marina. Thirdly, the students toured the Salt Plant and Elan. In the evening they watched the native, Ukrainian and French dancers in the school as well as the rest of the entertainment. Fourthly they visited Vegreville to see the famous egg and toured the Ukrainian Cultural Village. As well, they ventured to Edmonton and went to the Space Sciences Centre and West Edmonton Mall. They also went to Jasper

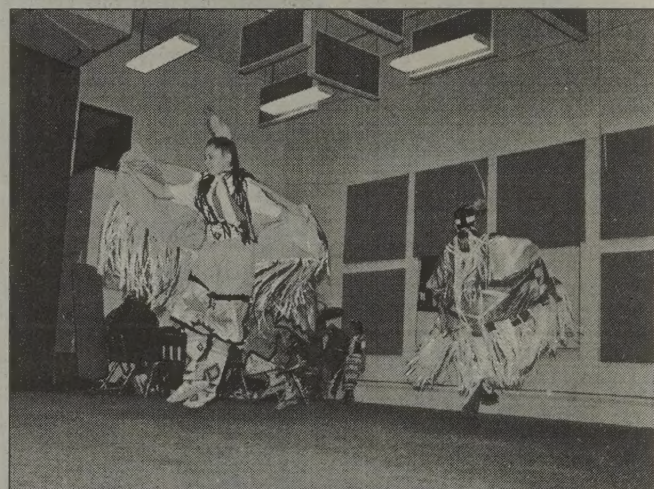

to go skiing.

While in Elk Point, the French students had the valu-

able opportunity to learn about our culture and language. They returned home on April 20.

BEREZNIANKA! -- Elk Point Ukrainian Dance Club seniors offered a lively dance of the Transcarpathian region, a tantalizing preview of their upcoming concert.

FLIGHT OF FANCY -- Fancy Dancers from Long Lake Cree Nation and Frog Lake Reserve combined their efforts in this colorful number to give a preview of the traditions and talent that will be displayed at pow-wows across the area this summer.

CELEBRATE NATIONAL VOLUNTEER WEEK**— APRIL 21 to 27, 1996 —**

Heritage Lodge entertains their volunteers

The residents of Heritage Lodge said thank you to their large and dedicated squad of volunteers with a most enjoyable evening of entertainment and socializing on Saturday, April 13.

The evening started with Harry Phillips singing several old favorites, "Lonely Moonlight Valley," "Springtime in the Rockies" and "Wreck of the Old Number Nine," accompanied by Gaby Bayduza on piano.

A hilarious skit based on the song about "Eight Old Ladies Locked in the Lavatory" was presented by a group of talented ladies who reside in the Lodge. This was followed by Lyle Howe, playing "Down the River of Golden Dreams" and "Any Time" on the violin, again accompanied by Gaby Bayduza.

Martha Meger added a humorous reading on the perils of having a failing memory, while Marion Smith read a poem she had written about Heritage Lodge and what a fine place it is to reside.

The evening continued with refreshments and visiting with the many volunteers who attended.

EIGHT OLD LADIES LOCKED IN THE LAVATORY -- must have spent from Sunday to Saturday thinking up this hilarious skit, presented to the volunteers by the ladies of Heritage Lodge at their volunteer appreciation event.

Forts honor volunteers

The numerous volunteers who have assisted in many ways with the operation of Fort George and Buckingham House Interpretive Centre were honored last week at the yearly Volunteer Appreciation celebration.

Facility Manager Karen Doyle welcomed those in attendance, and introduced Tom Thurston, Assistant Manager of Northern Operations, Alberta Historic Sites Service. Thurston, who calls FGBH "the site with the million dollar view," said he "never had any idea what makes a historic site tick" prior to his involvement with the operation of the site. He thanked Frank Mayner and the Advisory Board for their leadership, and all the volunteers involved with the site for their contribution. A survey done of the site showed that 86% of all visitors to Fort George and Buckingham House rated their visit satisfaction as above average to excellent, 88% of all visitors are planning to return again, and 82% rated the learning experience of their visit as above average to excellent.

MLA Paul Langevin greeted the volunteers and expressed appreciation of their efforts on behalf of Minister of Community Development Gary Mar. "It's a big commitment by the community. We owe a great deal of recognition to former MLA John Drobot, who was successful in attracting \$1.4 million for the development of the site. If you go back in history, these forts had a booming business for many years, then the site lay

untouched until the farmers came. Now again there is a booming community around the site. We are here to recognize its historic and cultural value." Langevin praised the 682 hours of volunteerism in the past year, "a tremendous effort" which has brought the total to 2104 hours since the forts opened in 1992. The volunteers who help the staff by making tours available in the off season are "really making a great effort," Langevin said.

Advisory Board chairman Frank Mayner, who is also the president of the Friends Society, said the Advisory Board is made up of a cross section of the community, and looks at problems and ideas, and makes recommendations to the government. The Friends, "whose membership is most important," help out in the day-to-day operation of the site. Volunteerism has been a part of Canada's history for close to 400 years, Mayner said, and although the government took over many programs once operated by volunteers, a number of them "have been handed back to volunteers" due to cutbacks.

MLA Langevin and Mr. Thurston presented certificates to all the volunteers, and pins to a number of them.

Entertainment was provided by Homer Poitras on violin and Gus Dion on guitar, as well as by cowboy poet John Drobot. Drobot was one of the door prize draw winners, along with Jill Hartley. A light lunch was served during the entertainment.

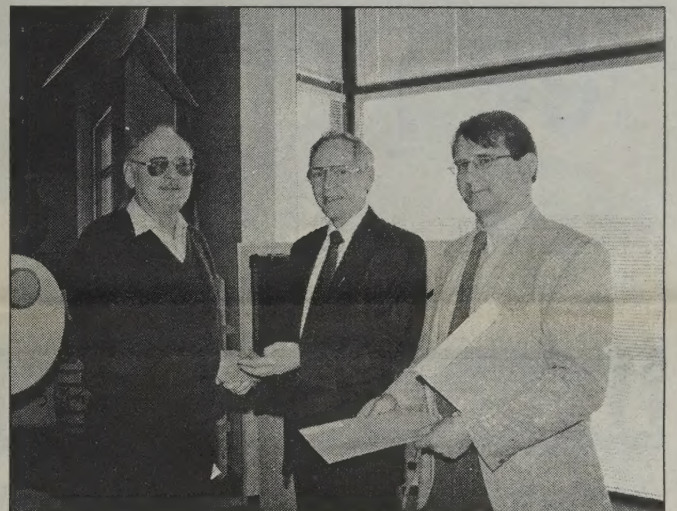

Karen Doyle announced that the Interpretive Centre is

going to start offering birthday parties for 5 to 10 children, as of May 1, with parties for seniors and adults also available. Meeting space can be rented at the site.

Also new to the site are two members of the Advisory Board, MLA Langevin, who is the direct link with the government, and Ray Danyluk.

MLA Langevin's closing remarks summed up the afternoon. "We appreciate all those who have volunteered. With the government cutbacks, we rely more on the local community. You are doing an excellent job here."

The Advisory Board is made up of Frank Mayner, Ian Huffman, Dan Povaschuk, Bryan Horse, Gail Kozicky, Vicki Brooker, Myrtis Redcrow and Randy Parenteau. On the Friends Society Board are Pat Johnson, with over 500 volunteer hours to his credit, Frank Mayner, Marjorie Robinson, Louis Verhagen, Roy Scott, Peggy Fidler-Zaraska, Irene Magnusson, Mabel Dumont and Margaret Young. Site volunteers include Chad Doyle, Albert Livingston, Dorothy and Victor Malinowski, Doreen Mayner, Ed Zaraska, Rusty Williams, Albert Rachynski, Trapline Crafts and Chris Havener. Jamboree volunteers include Henry Botting, Babe Sharkey, Doreen Youngmans, John Drobot, Adelard Bilodeau, Nora Wyman, Connie Axel, Peter Erasmus, Jocelyn Erasmus, Orville Swedgan, Jim St. Germaine and Andrew Pearson. Corporate donors who received special mention were Pan Canadian Petroleum and Norcen Energy Resources.

A FRIEND INDEED --Friends of the Forts President and Advisory Board Chairman Frank Mayner (left) is thanked for his ongoing efforts by MLA Paul Langevin and Tom Thurston, Assistant Manager of Operations, Alberta Historic Sites.

The University of Alberta Announces Expansion of Two Innovative Programs

Industrial Internships

Increased funding has allowed for additional places in Industrial Internship programs. Industrial Internships, 12 to 16-month paid work terms in the student's field, provide an excellent opportunity for extensive in-depth industrial experience to Science Specialization and Honors students. Science Internship programs foster closer ties between employers and the university and enhance employment opportunities for Science graduates.

Business Minors

The University of Alberta is pleased to announce increased access to the Bachelor of Science with a Business Minor. This program prepares students to enter science-based industries in advanced technology areas by providing a unique combination of education in science and business, and entrepreneurship. The skills and knowledge gained in both disciplines will prove invaluable in today's competitive job market.

What's news at the library?

Whose birthday party are we having? Come and see!

By Michele Ducek
Librarian

The library is holding a very special party at Storytime this Friday, April 26 at 10:30 a.m. It is a Surprise Birthday Party and everyone is invited. There will be birthday stories, games, balloons and a special cake. I hope everyone can come and wish the birthday persona Happy Birthday.

There are lots of shiny new presents (I mean books) at the library. Here are a few of the latest:

Would You Believe? by Tom Harpur deals with the tough questions about the existence of God raised today by real people, such as how to reconcile the presence of evil, pain and suffering with belief in a loving God.

The Transcendent Child: Tales of Triumph Over the Past by Lillian Rubin uses the

stories of real people to illustrate how some people have overcome even the harshest and most painful pasts to lead rich and satisfying lives.

Back on the Rez: Finding the Way Home by Brian Maracle is the true story of what happens when Mohawk writer Brian Maracle moves back to his boyhood home on the reserve after forty years of big city life.

All I Learned About Animal Behaviour I Learned in Loehmann's Dressing Room by Erma Bombeck is another witty outing by one of North America's finest humorists. In this audiobook read by Bombeck herself, she illustrates how our behavior has many (funny) parallels to common behaviors in the animal kingdom.

Also recently arrived are a

few by some of Elk Point's favorite authors:

High fashion and the world of modelling get the once over by Judith Krantz in **Spring Collection**. Intrigue, romance and double dealing abound as Paris gets ready for its spring fashion season.

Thomas and Charlotte Pitt are back in **Pentecost Alley** by Anne Perry. Two years after the Jack the Ripper murders, a prostitute is found murdered and evidence on the scene points to the son of a wealthy and powerful man, a man who will try to use his influence to divert suspicion away from his son, and the truth if necessary.

Terry Brooks returns to Shannara in **First King of Shannara**, a prelude to **The Sword of Shannara**. The druid Bremen and a few trusted associates are the only ones who

study the arcane arts of magic. This study leads to his exile where he learns that dark things are afoot and magic may be the only hope.

LIBRARY CALENDAR:

Friday mornings, 10:30 a.m. - Storytime. Stories, crafts, songs and more.

Friday, April 26, 1996, 10:30 a.m. - Storytime is having a surprise birthday party. (The surprise is who it is for). Stories and games all about birthdays

(even a cake and candles). No gifts please.

DID YOU KNOW:

According to astrologers, people born under the sign of Taurus are loyal, patient, practical and trustworthy (maybe our sign should be the dog and not the bull).

Celebrate National Volunteer Week

NEVER FAIL - This Novena is to be said every hour for nine consecutive hours, just one day. O Jesus, who has said, "Ask and you will receive, seek and you will find, knock and it shall be opened to you," through the intercession of Mary, Thy Most Holy Mother, I knock, I seek, I ask that my prayers be granted (make request) O Jesus, who has said, "All you ask of the Father in my name He will grant you through the intercession of Mary, Thy Most Holy Mother," I humbly and urgently ask Thy Father in Thy Name that my prayers be granted (make request) O Jesus, Who has said, "Heaven and earth shall pass but my word shall not pass," through the intercession of Mary Thy Most Holy Mother, I feel confident that my prayers will be granted (make request) publication promised to make Novena known.
L.L.

ST JUDE - Oh holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depths of my heart, and humbly beg you to whom God has given such great power to come to my assistance. Help me in my present urgent petition; in return I promise to make your name known, and cause you to be invoked. (Say three Our Fathers, three Hail Marys and three Glorias. Publication must be promised.) St. Jude, pray for us and all who invoke your aid.

"Circle of Learning" at Elk Point Elementary fun for everyone

Elk Point Elementary School students learned far more than the "three Rs" last Friday, when a number of seniors and other community volunteers joined the school staff to teach them a wide variety of new and entertaining skills.

The school was a beehive of activity, with multi-grade teams of students and their adult instructors walking along benches, crawling through tunnels, scooting around pylons on wheeled boards, and tossing balls into baskets in one end of the gym, while other teams played hide-and-seek with a gigantic multicolored parachute at the other. Down the hall, students took turns learning to play jacks, while in an adjoining classroom, more students were playing jacks in a new way—on the computer.

Two other gleeful groups were playing Musical Chairs, while in the Music Room and ECS, wonderful structures were being built with many forms of building blocks. Two

more groups were learning the hilarious game of Pictionary, while in the Art and Science rooms, amazing murals were being drawn, painted and put together.

Each group visited six stations in the course of the afternoon, so everyone had a

chance to try their hand at all these new skills. The afternoon was a fine example of cooperation between the school and the community, and from all reports, was an outstanding success with students, staff and seniors alike.

Heinsburg competes in the Badminton County Cup

By Fiona Daniels

Heinsburg Student Journalist

Wednesday, April 18 was a good day for the Heinsburg School Badminton team. The 20 senior high students played at Regional High School. Racette Junior High School and Poundmakers in the County Cup tournament.

John Calliou and Erna Delorme for B Mixed Doubles, Terry Gladue and Stace Fluney for A Boys Doubles, Jamie Sharkey and Travis Bowman for B Boys Doubles, Leslie

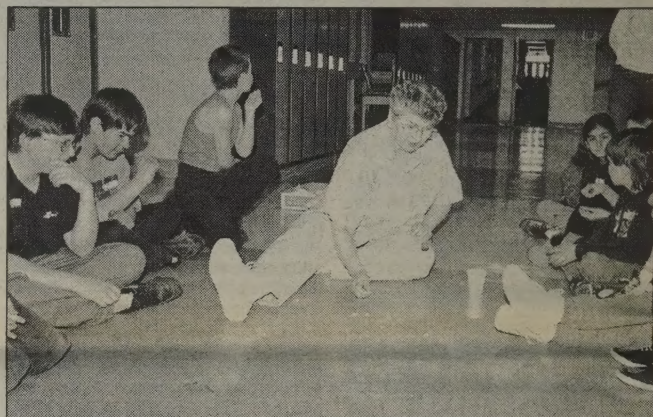

Callioux for C Girls Singles, and Michael Callioux for A Boys Singles all made it to the semi-finals, but only Michael Callioux advanced to the finals.

Unfortunately, Michael did not win the gold medal but is still able to go to zones with his second place finish. Michael will be in Smoky Lake on April 26 playing for the right to represent our school, county and zone in the Provincial Championships which will be held in Stettler on May 3 and 4.

In other school news, thanks to a generous donation by Pan Canadian, Mr. Clark's Industrial Arts class will be able to upgrade the outdoor basketball courts. On behalf of the students and staff at Heinsburg School, I would like to thank Pan Canadian for their donation of metal pipe to use on the basketball nets.

MURAL MAKING -- Teacher Wayne Hymanyk adds the contribution of one of Friday's mural artists to a large and imaginative piece of artwork created by the numerous teams of students.

ONESIES, TWOSIES -- Teacher Sylvia Boothman shows the younger set the fine points of Jacks, a game which has been a popular pastime with generations of school children.
